

# ABOUT US

*We invite you to  
experience our bank that is  
working hard for you.*

In 2021, a group of proven bank executives and strategic investors joined together to leverage their experience and expertise – along with the strength of the bank’s 118-year-old charter – to transform into a service-oriented, boutique, next-generation bank.

The new Cendera Bank will continue to serve the needs of our loyal customers, including businesses, entrepreneurs, family offices, and professionals throughout the greater North Texas marketplace.

Cendera continues to focus on modernization of our operational infrastructure, investing in technology and proven lenders to provide the level of service our customers deserve. Our community-based relationship model promotes an entrepreneurial attitude within our bank, while providing personal attention and solutions tailored to our customers.

Ultimately, our goal is to be an institution of excellence by providing the highest quality service to our customers, offering financial products at a fair price. At Cendera Bank, we proudly pledge to provide:

- A culture of listening and learning, where knowledge and expertise are cultivated and shared.
- Innovative lending and banking services custom tailored to meet your company’s specific needs.
- The highest level of customer service as well as products and technology to keep your banking safe and convenient
- Timely credit decisions for unmatched responsiveness that values each client individually.
- Proven talent willing to invest the time and resources to understand your business
