Deposit Accounts

Interest on Accounts - Interest begins to accrue on the business day you deposit cash or the next business day after you deposit non-cash items (for example, checks).

Interest Calculation - We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the principal in the account each day.

Minimum Balance - The minimum balance required to obtain the posted annual percentage yield. For tiered-rate accounts, the minimum balance required for each tier is stated.

Minimum Opening Deposit - The minimum deposit required to open the account.

Effect of Fees - Fees could reduce account earnings.

Account Closing - If you close your account before interest is credited, you will not receive the accrued interest.

Transaction Limits - There may be a limit on the number and type of transactions allowed.

Variable Rate Accounts

*Variable Rates - For variable-rate accounts, rate and APY may change after the account is opened.

Rate changes - There is no limit on the amount the rate or APY may change. At our discretion, we may change the rate on your account at any time.

Certificate of Deposit (CD) and Individual Retirement Account (IRA)s

Time Requirements - The term of the account.

Early Withdrawal Penalties - A penalty will or may be imposed for early withdrawal. Penalty for early withdrawal may impact the APY.

IRA Certificates - Traditional & Roth IRA Certificates may be established in any of the above listed maturities
